Subject: National Symposium on “4G TECHNOLOGY” sponsored by AICTE, New Delhi, on 23rd & 24rd February 2012.

Dear Sir/Madam,

All India Shri Shivaji Memorial Society (AISSMS) established in 1917, is a premier educational society in India. The society is dedicated to the noble cause of military, general, technical and management education. AISSMS's Institute of Information Technology is a reputed engineering college, affiliated to the University of Pune, since 1999. The college is approved by A.I.C.T.E, New Delhi and Directorate of technical Education, Maharashtra state.

This **Symposium** will offer a forum for Academicians, Researchers, Industry Professionals and students working in the areas of wireless technology & multimedia, to discuss new developments, concepts and practices and to identify future research needs, so that 4G technology researches can be brought closer to its immense potential. The **Department of Electronics & Telecommunication Engineering is organizing a National Symposium on “4G TECHNOLOGY”**.

The Academicians, Industry Professionals and Research scholars, all over India, are invited to interact and exchange their knowledge in the Symposium by presenting their research work. You are kindly requested to circulate the brochure amongst your faculty to enable them to participate in the Symposium .

For further details about the Symposium, please refer to the brochure attached herewith and/or visit college website www.aissmsioit.org or mail us at symposium4g@yahoo.com

Thanking you,

With kind Regards.

Dr. P. B. Mane
(Principal)
AISSMS, IOIT, PUNE
